"Day 2 on GO Slim Extreme and I have lost a further .70 kilos which is 1lb 8 oz. An amazing total of 3 kilos or 6lb in two days - I have never, EVER had results like this before!"

-- Jan Marie

"Weighed in on Monday and had lost another pound for a total of 5 lbs for the week...Yay!!"

-- Carla

"Hello and good morning just checking... 27 lbs down and I measured my hips 4 inches off since November 8th... that's not easy for us girls... my hip area is really stubborn!"

-- Denise

"I've only been taking one pill in the AM and my energy levels are holding up all day! Yesterday I was able to clean my house top to bottom, and get up the tree (fluffed, lights, balls and ornaments!) without stopping! Normally, I would do a little, relax a bit, maybe nap for a half hour....just because I always feel sluggish/tired. Not since I started taking GO Slim! I am so impressed with the calm energy it gives me....I don't ever want to be without it!"

-- Gina
